

Product Principles

Basic Air Conditioner Class

Date / Time:
8am-4pm
Thursday, March 13

Cost: \$150
per attendee

Worth 6
NATE CEUs

Location:
North Denver
Training Facility
4900 Osage St Suite 100
Denver CO 80221

Class Topics

Temperatures are finally rising, and we're here to flip your service maintenance focus from furnaces to air conditioners.

Jeff Gates, our Field Service Support Technician, will review simple service, installation, wiring, setup, sequence of operation, and troubleshooting issues.

To register, please go to cdjones.com/training-programs and complete the form. Class size is limited.
